

# WHAT IS THE VALLEY FOUNDATION?

We are a group of Valley parents who volunteer our time to raise money to provide resources and opportunities to enrich education at Valley Elementary.

## FILLING THE GAPS - WHAT WE FUND

### TEACHER DRIVEN INITIATIVES

Funding teacher written mini grants for classroom supplies and projects. All funds go directly back into the classroom. Past grants include classroom sets of books, write reader subscriptions, science and art supplies, P.E. equipment, Literacy and SEL curriculum.

### LITERACY INITIATIVES

### DIGITAL RESOURCES

Providing resources to support school-wide digital subscriptions to SeeSaw, Raz Kids A-Z, Reflex/Frax, BrainPop, SafeShare and Vocab Class along with purchasing technology supplies such as computer mice and headphones.

### STEAM LEARNING

Hosting FREE on campus enrichment events - STEAM Night (fall) and STEAM Fair (Spring) along with ongoing classroom supplies.

### OTHER SUPPORT

Meeting additional needs such as purchasing sheds for play equipment, flexible seating and Innovation Lab funding.
