

What is the Valley Foundation?

We are a group of Valley parents who volunteer our time to raise money to enrich education at Valley.

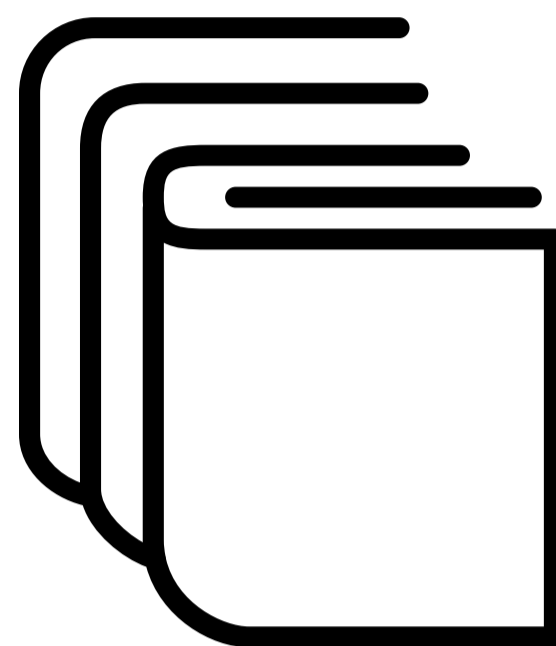

Filling the gaps - what we fund

Providing and maintaining resources to support virtual learning in this time of COVID-19 (e.g., RazKids, BrainPOP, Starfall, Spelling City, Tumblebooks, Seesaw)

Literacy initiatives

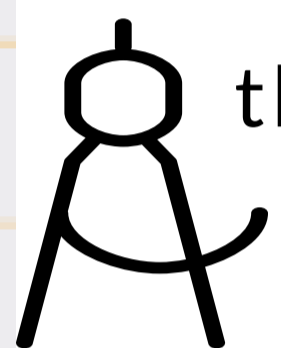

Materials and supplies to support science, technology, engineering, and math education.

STEM supplies

Prepared to fund in personal safety supplies, as needed.

Safety Measures

Training for teachers

Helping teachers get the training they need to better help our children (e.g. dyslexia diagnosis training and advanced math certification)

Meeting additional needs such as purchasing sheds for play equipment, flexible seating, phonics cards

How you can help

1

Donate to Dime a Day If each student donated a dime a day (\$18/year) we could raise over \$13,000. If each student donated \$50 we would meet our year budget goal. Any amount helps, please donate what you can.
